Email:keerthikunder99@gmail.com

I aim to utilize my talents, experience, and qualifications to contribute to an organization's success, delivering exceptional service while embracing its culture and objectives. My commitment to continuous learning will enable me to adapt and thrive in a fast-paced environment, ensuring that I contribute effectively to the organization's growth.

PROFESSIONAL SYNOPSIS

Impelsys Private Limited Co: February 2022 – August 2024

Worked with Impelsys Private Limited as **Associate QA 1**.

Roles and responsibilities:

- Performed manual testing using specialized tools to verify accuracy, flexibility, and reliability in both frontend and backend code.

- Validated consistency in style, formatting, and structure across platforms, ensuring alignment with client standards.

- Tested visual elements and backend functionalities to ensure they display and perform correctly across different devices and browsers.

- Checked links, interactive elements, and backend responses to confirm reliability and smooth user experience.

- Utilized tools like Sigil, CSS Validator, and EPUB Checker to assess file flexibility and verify correct functionality on client-provided systems.

- Documented testing outcomes, highlighting any issues found and providing recommendations for improvement.

- Collaborated with developers and content teams to resolve issues and refine overall performance and user experience.

- Performed comprehensive cross-platform testing, ensuring files are fully operational and accessible across all specified platforms.
